

NCAA DIII Cross Country Championship Course

Spectator Guide:

No DOGS or BIKES on the golf course at anytime

Please stay off all greens, tee boxes, and sand traps

The best place to view the races is directly up the start area by the corner "men to finish" on the above map

The women do just short of 2 big loops, cutting back to the finish at 3.5 miles

The men do 2 plus big loops, cutting to the finish at 4.5 miles

Unofficial results will be on the finish line jumbotron and posted in the clubhouse windows that face the course.
